Distracted Driving kills an average of **9 people and injures over **1,000** every day in America**

AAA has launched a multi-year ***Don't Drive Intoxicated. Don't Drive Intoxicated.*** distracted driving campaign to create awareness of the distracted driving problem and change driver behavior, so drivers promise not to drive distracted and influence others to do the same.

Partner with AAA on your campus to save lives.

Let us work with you to create a safety event that could include:

- ◆ Taking the Pledge to Not Drive Distracted
- ◆ How To Activate an Automatic Protective Phone Setting
- ◆ Interactive Exhibits - Selfie Station, Banner Signings, Games, Tip Cards, & Giveaways
- ◆ Compelling Stories from Safety Advocates Forever Impacted by Distracted Driving Crashes
 - ◆ PSAs to Play Across Campus
