

ENHANCED SCHOOL PROGRAMS

H.E.A.R.

Helping Everyone Achieve Respect

HEAR for High Schools is designed to mitigate the impact of bullying in high schools – including cyber bullying. The proven program is delivered on a classroom-by-classroom basis by trained members of the National Guard at no cost to schools.

CAREER TRAINING CONCEPTS, INC.

Career Direction is a no-cost guidance workshop which has helped over 6 million American high school students to plan their futures. The National Guard recognizes that students entering adulthood face what may be their most critical and lasting life decisions.

OKLAHOMA ARMY NATIONAL GUARD OK CHALLENGE

PowerPoint presentation taught by Oklahoma Army Guard recruiter. Recruiter also will hand out items that will help prevent students from becoming distracted drivers. Training can be adjusted to fit the teacher's schedule.

STEM- Let us teach your students the basics of robotics with our latest course. Students don't need any prior experience or knowledge. It is a great way to get them interested in STEM.

RedMan TRAINING GEAR

A certified Army National Guard self-defense trainer will wear the RedMan training suit and teach self-defense techniques to students. The training is designed to help students learn to control a situation and boosts a student's confidence.

An Army National Guard representative will supply Army Guard themed jerseys for the teams to use for the game. The Army Guard representative will talk about the benefits of the Guard and answer any questions anyone may have.

The Army National Guard uses SpeedTracs for "Challenges" that will not only drive your team's performance but produce the results you need! They run a competition with your sports team or school's PE program or anywhere you'd like to see performance improve...and build a great TEAM along the way!

In order for a high school student to graduate they must complete CPR certification. The Oklahoma Army National Guard has certified instructors that can come in and teach this course.
